Gentlemen:

Office of PAGR

The Village of Smyrna Board of Trustees wishes to have you reconsider closing of the Smyrna Post Office. We are a Village & Town of many older people that cannot drive far so this would be a hardship for them to have to travel another 6 miles one way to get their mail. We are checking but we have been told that Municipals cannot have a mailbox out by the road so this would mean the Village would have an expense of paying someone to go get the mail 6 miles away. We are a small town but the Post Office has been in the Town for about 100 years. This would mean the small store that people come into shop when the pick up their mail would probably have to close. We have a very nice Library but will people come in just to go there when they have to go 6 miles to Sherburne they probably would go the Library there rather than make another stop.

We would appreciate it if you would reconsider this to help our small town. I am sure that the expense for the Post Office is being paid for from the business they do.

Sincerely;
Village of Smyrna

Charles Edmonds, Mayor
David Raimy, Deputy Mayor
Terry Bennett, Trustee
Joyce Ann Fuller, Clerk/Treasurer
