POSTAL REGULATORY
COMMISSION
OFFICE OF THE SECRETARY

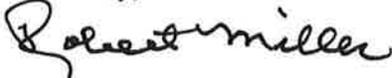

My husband and I are senior citizens who depend on the services of the Algoma Post Office. We humbly ask that you reconsider your decision to close our post office.

We have had the same post office box for 42 years and the service provided by our dedicated postal employees is exceptional. The postal service should be proud of the loyalty that we the people of Algoma feel for our post office.

Please keep our post office open for service to the people of Algoma.

Thank you for considering our appeal of the closing of the Algoma post office.

Sincerely,

Robert and Carolyn Miller
