# NOTICE

RECEIVED

2011 OCT -4 P 3: 18

We the people of Freedom, Wyoming 83120 appeal the closure of the Freedom, WY Post Office. The alternate services offered by the US Postal Service is not acceptable as it does ~~not provide effective~~ services to our community.

COMMISSION  
OFFICE OF THE SECRETARY

1. It will be an inconvenience for us to purchase stamps, money orders, send or receive registered mail, certified mail, and mail parcels.
2. Inconvenience to our senior residence with medications delivered through the mail.

3. Concerned about vandalism, theft, and even identity theft.

4. Nationwide it will cut 7500 jobs. Rural America cannot afford to lose any more jobs in this fragile economy.

5. According to PRC data the total net cost of the <sup>closing</sup> 10,000 smallest post Offices--more than one-third of all Post Offices in the United States--is less than seven tenths of one percent(0.7%) of the total cost of the United States Postal Service.

6. Loss of our town's identity. Amen!

A rural carrier can't provide the same services as our post office.
