Docket No: A-2011-59

PARTICIPANT STATEMENT

1. Petitioner(s) are appealing the Postal Service's Final Determination concerning the Yelpen post office. The Final Determination was posted August 30 2011 (date)

2. In accordance with applicable law, 39 U.S.C. § 404(d)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's determination on the basis of the record before the Postal Service in the making of the determination.

3. Petitioners: Please set out below the reasons why you believe the Postal Service's Final Determination should be reversed and returned to the Postal Service for further consideration. (See pages of the Instructions for an outline of the kinds of reasons the law requires us to consider.) Please be as specific as possible. Please continue on additional paper if you need more space and attach the additional page(s) to this form.

We need our post office.  
We don't want our medication sent out  
on rural route. We also have several  
checks sent to our post office box. If  
these were left to rural route mailboxes  
it could disappear to unsavory characters  
in the area. So we will be forced to  
be at home when these arrive.

We had a meeting and no questions were answered. Every answer was you have to take that up with the "Home Office" Why didn't they send someone from the "Home Office" down here for our answers.

I know this don't mean anything to you as sure as to believe "your mind is made up to close our office". It's a sad day to see our <sup>nice</sup> ~~nice~~ building go to ruins. "You could save a lot of money not sending these people around" Expenses paid to not answer our questions

It was a waste. As I said we need our postal service here in our town

Thank you
