To Whom It May Concern:

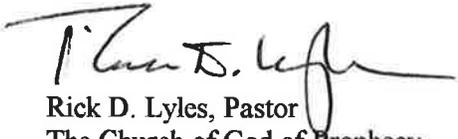

We, the citizens of Campaign, Tennessee, would like to make an appeal to help keep our local Post Office open.

I am the Pastor of The Church of God of Prophecy here in Campaign. We do a lot of business with this Post Office on a daily basis. In addition, there are many needy families in this area whose only means of transportation is to walk.

Please help me and the community keep our Post Office open and operating.

Thank you.

Sincerely,

Rick D. Lyles, Pastor
