POSTAL REG  
OFFICE OF THE

We the people of  
Campaign Tennessee would  
like to make an appeal  
to help keep our local  
Post office open. There are  
many many people in  
this area that have no  
means of transportation.

They have to walk to the  
store and walk to the  
Post office just to mail there  
bills and just to buy a  
stamp or just get a  
money order. This Post office  
has been open for many

service we receive there.

Please help us the  
Community keep this Post  
Office open.
