In response to your letter:

- Retail services provided at the post office are available from the carrier. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, Stamp Purchase Order (Rural), available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the West Stockholm Post Office should be pursued, a formal proposal will be posted in the Potsdam Post Office, Norwood Post Office and West Stockholm Post Office at a later date. Memo to the record. On 04/27/11 at 1:06 pm, received a call from Lisa Tracey, owner of the West Stockholm Post Office @ (518) 587-6688.

She wanted to know the criteria used for the study, if there was a % base number of studies, and what the timeframe of the process was. She wanted to know what she could do to be proactive.

Returned her call on 4/28/11, and advised that any office that becomes vacant we are required to review for feasibility of regular and effective service through other channels. There is no % base number of studies and reviewed the timeframe as listed on the Summary of Post Office Change Regulations. Also advised that any lease issues should be directed to the FSO.

She called back later on 4/28/11, and asked if she could fax a proposal to reduce the rent and add it as consideration to the study. Proposal has been added to the study for consideration.

Subject: West Stockholm Post Office, West Stockholm, NY 13696

To Whom It May Concern,

We understand that there is discussion regarding closing the West Stockholm Post Office. We are the Landlords of the West Stockholm Post Office.

Because we think it is important to the community, and to us, to keep the West Stock Post Office open, we propose to the United States Postal Service that we will reduce the rent to help make it feasible for the United States Postal Service to keep the West Stockholm Post Office open.

We propose to reduce the rent by 10% and freeze the rent at that rate for 5 years.

We thought it would be useful to provide this information to you, so you may use it as part of your argument to keep the West Stockholm Post Office open.

Sincerely,

Lisa and Darren Tracy

Memo to the record. On 04/26/11 at 12:58 pm, received a call from Lyn Hysman (spelling?), @ (315) 353-6135.

Customer couldn't attend meeting. Currently has home delivery. Wanted to know if a Change of Address would be required.

Returned her call on 4/26/11 at 2:55 pm and advised: Customers who retain their PO Box or currently have street delivery WILL NOT be required to change their address. ONLY customers electing to close their PO Box and begin street delivery would be required to change their address, if a final determination is made to close or consolidate this office. 911 addresses are generally given by the county's 911 coordinator. The Postal Service does not establish 911 addresses. Any questions concerning your 911 address should be directed to the county's 911 coordinator
