OFFICE OF THE SECRETARY

I am requesting a waiver on docket no. A2011-71 Because I do not have a computer to file online.

We want the Latham Post Office to stay open, because it's convenient.

We can go there with the horse and buggy, or on our bicycles, when we want to mail, a letter or package, that we are uncertain of the amount of postage it needs, or to mail a letter (or something) after the mail carrier had went. We also get most of our postage stamps there, and can do it on the same trip, when we go to the Bank next door.

Sincerely,
Roadside Country Store

Docket No. A2011-71

I am sending a notice of intervention for the Latham Post Office Closing. I am concerned with the Postal Service saying they will save a lot of money closing the little rural post offices.

When the post office has an OIC, they get paid hourly wage which has been done since December 2008. The Post Office does not pay benefits or days taken off to an OIC so they are saving money each day by not having a POSTMASTER AT THE LATHAM POST OFFICE.

It will have a huge negative effect on our community with farmers and mennonites having to travel by bicycle or horse and buggy to town which takes time. Also our town is centrally located between Tipton, California, Versailles, and Eldon. Please reconsider your decision, we would appreciate our post office the opportunity to stau open.

I am requesting a wavier on Docket No. A2011-71 because I do not have access to a computer to fill out online.

Sincerely,

A handwritten signature in cursive script that reads "Shelbie Schatzer".
