Docket No. R2012-3

**MOTION OF THE SATURATION MAILERS COALITION FOR A  
TWO-DAY EXTENSION OF TIME TO FILE COMMENTS**

(November 7, 2011)

The Saturation Mailers Coalition (SMC) hereby moves for a brief two-day extension of time to file its comments in this proceeding. Because of the harm that the Postal Service's proposed 194 percent increase in the Detached Address Label surcharge would have on saturation program mailers, the SMC and many saturation mailers have been engaged in discussions with the Postal Service concerning a rollback in the surcharge. We are advised that postal officials are meeting this afternoon to consider this matter. The outcome of that meeting will have a material bearing on SMC's position and comments in this proceeding. In these circumstances, we submit that a two-day extension of time to submit our comments will aid in the Commission's consideration of the Postal Service's proposal, and will not prejudice any party.

Respectfully submitted,

/s/
