

BEFORE THE  
POSTAL REGULATORY COMMISSION  
WASHINGTON, D.C. 20268-0001

NOTICE OF MARKET-DOMINANT  
PRICE ADJUSTMENT

Docket No. R2012-3

SUPPLEMENTAL PAGES FOR ATTACHMENT B (WORKSHARE DISCOUNTS)  
TO NOTICE OF MARKET-DOMINANT PRICE ADJUSTMENT,  
CONSISTENT WITH ORDER NO. 741  
(November 10, 2011)

In order to provide supplemental information related to workshare discounts, reflecting the Commission's approval of costing methodology changes in Docket No. RM2011-5, the Postal Service hereby files supplemental forms of pages 3 and 8 of Attachment B to its October 18 Notice of Market-Dominant Price Adjustment (Notice) in this docket. The supplemental pages add two columns to reflect the Proposal 9 cost methodology changes approved by the Commission in Order No. 741 (June 3, 2011). These pages supplement Attachment B as filed on October 18, rather than replacing any part of it.

While one passthrough moves above 100 percent using the Proposal 9 cost methodology (BMM to Mixed AADC Automation Letters), this First-Class Mail price relationship involves a benchmark that the Commission has declared invalid, as noted on page 34 of the Notice.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:

Daniel J. Foucheaux, Jr.  
Chief Counsel, Pricing & Product Support
