

**Docket No. N2012-1**

**USPS Library Reference N2012-1/35**

**Transportation Contract Support System Database**

PREFACE

This Category 2 library reference provides background analysis conducted by or under the direction of witness Rosenberg (USPS-T-3).

This library reference has one file in its root folder:

35\_TCSS.mdb

The Transportation Contract Support System database contains surface transportation information for the USPS. The database consists of two tables (All Dry Lanes and TCSS) and a query (qryCollaborative) which merges the two tables.
