

In the Matter of:

Geuda Springs, Kansas 67051

Docket No: A-2012-75

Liona S. Barbour, Petitioner

PARTICIPANT STATEMENT

Please reconsider the closing of our post office. It will hurt everyone in our town.

Why would our mail come out of Winfield? The majority of our people shop, band and do our medical visits in Arkansas City.

It seems that all small towns have to suffer for the benefits of others.
