

**Docket No. N2012-1**

**USPS Library Reference N2012-1/39**

**Collection and Dispatch Data Responsive to Interrogatory DBP/USPS-10**

PREFACE

This Category 4 library reference provides the following information responsive to subparts (1) through (4) of interrogatory DBP/USPS-10: name, state, ZIP Code, final daily collection times and last dispatch of value for postal retail facilities with final collection times earlier than 5:00pm.

The library reference consists of seven Excel workbooks, one for each postal administrative Area.

Each Area workbook contains two spreadsheets. One spreadsheet provides daily collection time information for the specified postal retail locations; the other provides the last dispatch of value for those retail locations.
