**NOTICE OF INTERVENTION OF THE
ASSOCIATION OF ALTERNATE POSTAL SYSTEMS**

Pursuant to Section 20 of the Commission's Rules of Practice, the Association of Alternate Postal Systems (AAPS) hereby submits its notice to intervene in this docket. AAPS, an active participant before this Commission, is an association of private sector companies competing with the Postal Service for the delivery of hard-copy advertising. They have an obvious interest in this docket, in which the Commission will consider expanding USPS services to advertisers and a further movement by the Postal Service into what has heretofore been the domain of the private sector.

AAPS does not request an evidentiary hearing, although it suggests that the Commission should, at the very least, accept comments by the parties. APS intends to participate in this docket.
