Docket No. N2012-1

**UNITED STATES POSTAL SERVICE NOTICE OF
FILING SUPPLEMENT TO LIBRARY REFERENCE USPS-LR-N2012-1/NP1**

In accordance with Rule 31(b)(2), the United States Postal Service provides notice today that it is filing a supplement to the following Category 2 Library Reference:

USPS-LR-N2012-1/NP1 Market Research Materials (Non-Public)

Library reference USPS-LR-N2012-1/NP1 was filed at the outset of this docket to support the market research testimony of witnesses Elmore-Yalch (USPS-T-11) and Whiteman (USPS-T-12). The library reference includes respondent specific information that is customarily kept confidential together with competitive product information that the Postal Service itself also keeps confidential. The supplement to this library reference is essentially a subset of the information originally filed, now responding to Presiding Officer's Information Request No. 7, question 7. That question asks for a data set involving specific customer segments and specific quantitative market research questions. As such, the application for non-public treatment originally filed in for this library reference applies equally to the supplement.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
