

**Docket No. N2012-1**

**USPS-LR-N2012-1/95**

**Materials Responsive to NPMHU/USPS-8**

**PREFACE**

For the facilities listed in interrogatory NPMHU/USPS-8, this Library Reference includes PDF files reflecting potential facility layouts examined during the process of determining the feasibility of facility-specific operational consolidation proposals associated with the service changes under review in this docket. Potential facility layouts proposals relied upon during the consolidation feasibility review process are subject to change during implementation.

The listed facilities are: Albuquerque; Austin; Baton Rouge; Boston; Brooklyn; Cleveland; Columbus; Greensboro; Kansas City; Miami; Nashville; Oklahoma City; Orlando; Philadelphia; Pittsburgh; Richmond; Rochester; Tallahassee; and Westchester.

Also included is an Excel spreadsheet consisting of a list of the mail processing equipment sets in the facilities.
