Re: Amended Every Door Direct Mail - Retail Data Collection Report for FY 2011, Quarter 4 (Docket No. MT2011 – 3)

In accordance with Commission Order No. 687, issued March 1, 2011 in Docket No. MT2011-3, the Postal Service filed its data collection report for Quarter 4 of FY 2011 on November 9, 2011 for the market test for Every Door Direct Mail - Retail (EDDM-R), and filed an amended report February 9, 2012.

The amended data collection report, filed on February 9, 2012, erroneously describes two rows of data (referring to PostalOne! instead of POS ONE), and makes a similar error in the footnote for the summary table. The footnote should read as follows, "Except for these rows, all data reflect POS ONE Volume (volume from locations with Point-of-Service (POS) ONE terminals) only." The Postal Service is therefore filing an amended EDDM-R Data Collection Report for Quarter 4 to reflect this change.

The amended data collection report spreadsheet filed today completely replaces the ones previously filed.

Sincerely,

Brandy A. Osimokun
