PREFACE

This Category 4 library reference provides material in support of witness Martin's response to American Postal Workers Union, AFL-CIO (APWU) Interrogatory (APWU/USPS-T6-14). The supporting materials consist primarily of HCR Contract Activity Logs which contain data from the Transportation Contract Support System (TCSS) database. No Activity Log was available for HCR Id. No. 207FE. For this route, relevant mileage data was obtained from the TCSS system and placed into the spreadsheet labeled HCRDATA (12.01.08).
