PETITION TO INTERVENE BY THE CITY OF PASADENA

1. This petition to intervene is filed by the City of Pasadena, CA (“City”). The City is interested in the proposed closure by the United States Postal Service of the Mack Robinson Processing and Distribution Center (“P&DC”).
2. The City claims an interest in the impact of the proposed closure due to its impact on the community. 39 U.S.C. Section 404(d)(2)(a)(1) establishes that the City’s interest warrants intervention. The City’s interest is more particularly described in the attachments to the Brief filed contemporaneously with this Petition.
3. The City does not request a hearing. The City will actively participate in any hearing to the extent feasible, though it is unlikely the City’s participation would extend to engaging in discovery, submitting evidence, or sending representatives to a hearing located out of state.

WHEREFORE, the City of Pasadena, CA hereby requests that its petition to intervene be allowed and that the brief and letter attachment filed contemporary with this petition be accepted for the Commission’s review and consideration.

I, Lesley Cheung, Deputy City Attorney for the City of Pasadena, CA, hereby certify that I have read this document, know its contents, and have executed it as counsel for the City of Pasadena with full authority to do so, and that to the best of my knowledge, information and belief, every statement contained herein is true and not misleading, and that this document has not been filed for the purpose of delay.

RESPECTFULLY SUBMITTED this 5th day of July, 2012

The duly signed original is held in the file located at the City of Pasadena City Attorney's Department.
