Docket No. R2011-3

Motion for Late Acceptance

(April 3, 2013)

The Public Representative respectfully moves that his comments in this docket be accepted one day out of time. The need for this motion arises from the fact that he spent a substantial portion of the previous working day trapped in a Metro car without power, between stations. Upon arriving at his office, he found that his draft comments had been rendered inaccessible by a frozen computer. The Public Representative believes that no participant will be prejudiced by the late acceptance of these comments.

Respectfully submitted

Public Representative
