Postal Regulatory Commission
901 New York Ave. NW Ste. 200
Washington DC 20268-0001

To the Commission,

On behalf of Bronx residents Mike Eilenfeldt and Julio Pabon, I would like to appeal the Postal Service's decision to close the Bronx General Post Office and relocate retail services. We believe the Postal Service's decision was arbitrary and capricious, and without observance of procedures required by law. Mr. Eilenfeldt and Mr. Pabon have also sent appeal letters to the Commission, which you should receive soon.

Sincerely,

[signed]
