Docket No. R2013-11

**SUPPLEMENTAL MATERIAL FOR RESPONSE OF THE UNITED STATES
POSTAL SERVICE TO QUESTION 2.C OF PRESIDING OFFICER'S
INFORMATION REQUEST NO. 6
(November 22, 2013)**

On November 13, the Postal Service provided its responses to Questions 1-27 of Presiding Officer's Information Request No. 6, dated November 6, 2013. The response of Stephen Nickerson to question 2.c , as revised on November 18, indicated that requested updates relating to the November 13th Competitive Products filing would be filed when available. Those updates are primarily provided today with the separately-filed Notice of Further Revisions to the Statement of Stephen Nickerson. Back-up materials on the Competitive Products proposals (including the models which generate the outputs reflected in today's updated Attachments to the Nickerson Statement) have already been provided to the Commission in the Supp.Info.Finance.zip file provided as part of the Nonpublic Annex with the November 13, 2013 Competitive Products filing (Docket No. CP2014-5). That nonpublic material is therefore incorporated

herein by reference in response to Question 2.c of POIR No. 6 in this docket..

Respectfully submitted,
