CIRCUMSTANCES)

**MOTION OF
MPA—THE ASSOCIATION OF MAGAZINE MEDIA
FOR LEAVE TO FILE LIBRARY REFERENCES
OUT OF TIME**

(November 27, 2013)

MPA-The Association of Magazine Media, on behalf of itself and the other cosponsors of the comments filed in this docket by MPA yesterday, respectfully moves to file the library references supporting the comments today, one day out of time. The comments were timely filed yesterday afternoon. The Commission's docket room staff advised us, however, that the Library References submitted with the comments were improperly formatted, and directed us to re-file the library references. Insufficient time remained before the 4:30 pm closing time to reformat and file the library references.

No party will be prejudiced by this delay. Counsel for MPA served electronic files of the library references on the Postal Service by email, and the comments and supporting statements supported by the library references were posted on the Commission's website, yesterday.

Respectfully submitted,

/s/ David M. Levy
