Docket No. R2013-11

**MOTION FOR LATE ACCEPTANCE OF RESPONSES OF THE UNITED
STATES POSTAL SERVICE TO PRESIDING OFFICER'S
INFORMATION REQUESTS NOS. 9, 10, AND 11**
(November 29, 2013)

The United States Postal Service prepared timely responses for all questions of Presiding Officer's Information Request Nos. 9, 10, and 11, which all sought responses by November 27, 2013. When attempting final uploading of the first set on the Commission's webpage on November 27, however, an error message was received, precluding further processing and requiring consultation with the Commission staff. Resolution of the error message was not achieved until after the 4:30 cutoff had passed. The Postal Service accordingly moves for late acceptance of the responses. Early posting on the next business day should not prejudice any party.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
