**GAMEFLY, INC., NOTICE OF FILING OF  
REVISED PROPRIETARY AND PUBLIC VERSIONS  
OF SUPPLEMENTAL COMMENTS AND  
SUPPORTING DECLARATION OF DAVID HODESS**

**(December 26, 2013)**

GameFly, Inc. ("GameFly") hereby gives notice that it is separately filing revised public and nonpublic versions of the GameFly Supplemental Comments and Supplemental Declaration of David Hodess, both of which GameFly previously filed with the Commission on September 12, 2013.

(1) The original (September 12) versions of these filings marked as proprietary certain portions that quoted or discussed information that the Postal Service had previously designated as proprietary. Specifically, pages 22-24 and 32 of GameFly's supplemental comments and pages 16-18 ¶¶ 41-46 of Mr. Hodess' supplemental declaration discussed the IBISWorld report filed by the Postal Service as library reference USPS-LR-MC2013-57-NP6. The Postal Service had marked the report as proprietary and filed it under seal for the stated purpose of protecting the copyright interests of IBISWorld in the document.

(2) On November 1, 2013, GameFly moved to unseal the portions of the September 12 supplemental comments and the declaration of Mr. Hodess that discussed the IBISWorld report. The Commission granted the motion to unseal in Order No. 1904 (issued December 13, 2013).

(3) GameFly is separately filing with the Commission today revised versions of the September 12 supplemental comments and declaration, in which the portions identified in paragraph (1), *supra*, have been unsealed.

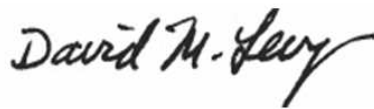

(4) The remaining portions of both documents that were previously filed under seal to protect the proprietary interests of GameFly and the Postal Service remain under seal:

- Pages 47-48 of the supplemental comments and pages 11-12 of Mr. Hodess' Supplemental Declaration report the results of an internal GameFly survey of customers who cancelled their service.
- Page 2 ¶ 4 and pp. 5-6 ¶ 13 of Mr. Glick's supplemental declaration discusses certain Permit Reply Mail unit cost data that the Postal Service marked as proprietary and filed under seal in library references USPS-MC2013-57/NP1 and USPS-MC2013-57/NP4.

See Application of GameFly, Inc., for Non-Public Treatment of Portions of Its Supplemental Comments and Supporting Declarations (filed September 12, 2013) at 1-2 and 2-3.

GameFly is filing today two copies of the revised documents under seal with the Commission (along with two CDs containing electronic versions of these documents) and serving copies of these documents upon counsel for the Postal Service, Netflix, and the Public Representative. GameFly has also filed a public version of each of these documents with the confidential information redacted.

Respectfully submitted,
