Docket No. N2014-1

**UNITED STATES POSTAL SERVICE MOTION FOR LATE ACCEPTANCE OF  
RESPONSES TO DISCOVERY REQUESTS  
(PR/USPS-T1-12, 14-19, 20a)  
(January 24, 2014)**

The United States Postal Service moves for late acceptance of the responses of witness Malone to the discovery requests of the Public Representative identified above. A response was due by January 22, 2013. The responses of witness Malone identified above are being filed two days late because of the temporary unavailability of the witness and other essential Postal Service personnel due to the need to address operational challenges that arose from difficult weather conditions earlier in the week. The Postal Service regrets the delay, but does not believe any party is prejudiced.
