CHAIRMAN'S INFORMATION REQUEST NO. 1

(Issued April 16, 2014)

To clarify the Postal Service's filing concerning an additional Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1, the Postal Service is requested to provide written responses to the following questions. Answers should be provided to individual questions as soon as they are developed, but no later than April 21, 2014.

1. Please refer to Notice of United States Postal Service of Filing Functionally Equivalent Inbound Competitive Multi-Service Agreement with a Foreign Postal Operator, April 10, 2014 (Notice) at 4, where the Postal Service states that the 2014 China Post Agreement includes rates for a "yet-to-be launched" inbound product. Based on a review of the 2013 China Post Agreement and the workpapers provided in the instant filing for the 2014 China Post Agreement, it appears that the "yet-to-be launched" inbound product has already been approved. See Docket No. CP2013-23, Order Approving Modification of China Post 2013 Agreement, June 18, 2013 (Order No. 1752).
  - a. Please provide volumes, if any, for the period July 1, 2013 to March 31, 2014 associated with the Air CP with Delivery Confirmation only and the Air CP with Signature Confirmation only products approved in Order No. 1752.
