**REPLY OF UNITED PARCEL SERVICE
IN SUPPORT OF FEDERAL EXPRESS CORPORATION'S
REQUEST FOR EXTENSION OF TIME
(September 16, 2014)**

For the reasons stated in Federal Express Corporation's Request for Extension of Time (September 16, 2014), UPS supports FedEx's request for an extension of the comment period in this docket. The two-week extension requested by FedEx would allow interested parties to better assist the Commission in preparing its report to the President and Congress under Section 3651.

Respectfully submitted,
