In compliance with Order No. 1959,¹ the United States Postal Service gives notice of filing Global Expedited Package Services – Non-Published Rates 4 (GEPS NPR 4) Version 2 customer agreements with serial numbers ending in 0121 to 0123.² The effective dates for the three agreements filed with this notice are listed below.

The Postal Service is filing these three contracts with the Commission under seal. The agreements are derived from a common template³ and would appear essentially the same when redacted. ¹ Order No. 1959, Order Approving Change in Prices for Global [Expedited] Package Services – Non-Published Rates 4 (GEPS – NPR 4), Docket Nos. MC2013-27 and CP2014-22, January 10, 2014, at 6.

² The full serial number, which contains fields useful to the Postal Service's administration of the contracts, appears on the first page of each contract and in the text of this Notice.

³ The common template is the GEPS – NPR 4 Version 2 model contract, which was included as Attachment 3 to Notice of the United States Postal Service of Change in Prices for Global Expedited Package Services – Non-Published Rates 4 (GEPS – NPR 4), Docket No. CP2014-22, December 26, 2013 (“GEPS – NPR 4 Version 2 Notice”).

Postal Service's notice dated February 24, 2014,⁴ as representative of the contracts filed.

The unredacted version of the inputs worksheet that was used to generate customer-specific rate tables is being filed with the Commission under seal. The inputs worksheet is very similar to the inputs worksheet that was included in the Postal Service's notice dated February 24, 2014.⁵ Therefore, the Postal Service requests that the Commission consider the redacted inputs worksheet for the NPR4.2-FY14-JAN14-I-T7-0001 agreement that was included in the Postal Service's February 24, 2014 notice as representative of the inputs worksheet that the Postal Service is filing today under seal with the Commission.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 26, 2013, notice in this docket.⁶ The application protects from disclosure information in the contracts and inputs worksheet that the Postal Service is filing today with the Commission under seal in this docket.
