

Robert G. Taub
Acting Chairman
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, DC 20268-0001

Dear Mr. Taub:

On March 2, 2015, I sent you a letter protesting the proposed closure of the Careywood ID Post Office. As a result of that letter, the Postal Regulatory Commission (PRC) initiated an appeal regarding this action for which I thank you.

Not being familiar with all of the Postal Service's rules and regulations regarding post office closures, I did not realized that I had to make a specific request to suspend the closure of our post office pending your review, although I submit that the last paragraph of my initial letter certainly qualifies as such a request:

"...As a member of the Postal Regulatory Commission, it is your responsibility to see that the USPS follows its own regulations. Before you close our post office, we have a right to a 60-day comment period to protest the closure and a 30-day appeal period. Please contact Drew Aliperto, the Western Area Operations vice president, and direct him to follow the rules!..."

I am taking this opportunity to correct my initial letter to you and to formally request a suspension of closure of the Careywood Post Office until the Postal Regulatory Commission can complete its review of this case. At the very least, our post office should remain open for the 60-day comment period and the 30-day appeal period provided for by USPS regulation. Since we received notification of the Postal Service's intent to close the Careywood Post Office on February 20, 2015, the suspension of closure should last until at least May 21, 2015.

Thank you for your time and prompt attention. I look forward to hearing from you on this critical issue.

Sincerely,

Marrion E. Newsam Banks
