SERVICE PERFORMANCE MEASUREMENT
SYSTEMS FOR MARKET DOMINANT PRODUCTS

Docket No. PI2015-1

**STATUS REPORT OF THE UNITED STATES POSTAL SERVICE REGARDING
THE STATISTICAL DESIGN DOCUMENTS**

(June 30, 2015)

The United States Postal Service hereby provides a status report concerning documentation detailing the statistical systems and procedures necessary to implement the proposed service performance measurement systems. In response to the Chairman's Information Request No. 1, Question 10, the Postal Service stated that the statistical design documents were being developed and estimated that these documents would be provided to the Commission in June.¹ The Postal Service reports that these statistical design documents are still under development and as a result will not be provided to the Commission in June. The Postal Service intends to file these documents as soon as possible.

¹ Responses of the United States Postal Service to Questions 1-16 Of Chairman's Information Request No. 1, Docket No. PI2015-1 (March 31, 2015) at 16.

Respectfully submitted,

UNITED STATES Postal Service
