MC2015-23 and CP2015-65, May 7, 2015 (“GEPS – NPR 6 Notice”).

<sup>4</sup> The Postal Service acknowledges that the agreement may include some minor variations from the GEPS – NPR 6 model contract, such as an additional Article 33, “Conditions Precedent,” which was added because the contract was sent to customers before the Commission completed its review of the GEPS NPR 6 product.

The unredacted version of the inputs worksheet that was used to generate customer-specific rate tables for the agreements for which the Postal Service is providing notice is being filed with the Commission under seal. The inputs worksheet is identical to the inputs worksheet that was included in the Postal Service's notice dated June 10, 2015.<sup>6</sup>

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's May 7, 2015, notice in this docket.<sup>7</sup> The application protects from disclosure similar information in the contracts and inputs worksheets that the Postal Service is filing today with the Commission under seal in this docket.
