PUBLIC REPRESENTATIVE COMMENTS ON
POSTAL SERVICE NOTICE OF FILING A FUNCTIONALLY EQUIVALENT
GLOBAL RESELLER EXPEDITED PACKAGE 2
NEGOTIATED SERVICE AGREEMENT

(July 29, 2015)

The Public Representative hereby provides comments pursuant to Order No. 2603.¹ In that Order, the Commission established the above referenced docket to receive comments from interested persons, including the undersigned Public Representative, on a Postal Service Notice of filing a functionally equivalent Global Reseller Expedited Package 2 (GREP 2) negotiated service agreement (Agreement).² Customers for GREP 2 contracts are resellers that market Priority Mail Express International (PMEI), Priority Mail International (PMI) and/or First-Class Package International Service (FCPIS) at discounted prices to their customers, especially small- or medium-sized businesses. Notice at 5.

Prices and classifications not of general applicability for GREP contracts were previously established by Governors' Decision No. 10-1.³ In Order No. 1746, the

Commission designated the contract subject of Docket Nos. MC2013-51 and CP2013-64 as the baseline agreement for the future GREP 2 future agreements.⁴

The contract filed with the Notice is a successor of the customer's current GREP 2 contract filed in Docket No. CP2014-51, which is scheduled to expire on July 31, 2015.⁵ The proposed effective day of the Agreement is August 1, 2015. The Agreement is set to expire one year after its effective date. *Id.* at 4.

COMMENTS

The Public Representative has reviewed the Postal Service's Notice, the Agreement, and supporting documentation filed under seal with the Notice. Based upon that review, the Public Representative concludes that the Agreement is functionally equivalent to the baseline agreement. In addition, it appears that the negotiated prices in the Agreement should generate sufficient revenues to cover costs.

Functional Equivalence. The Postal Service asserts that the Agreement "shares similar cost and market characteristics" with the baseline contract subject of Docket Nos. MC2013-51 and CP2013-64. *Id.* at 4-5. However, the Postal Service identifies differences between the Agreement and the GREP 2 baseline agreement. *Id.* at 5-8. Some of the differences are specific to the customer (*e.g.*, the customer's name and address). Other differences between the Agreement and the GPEP 2 baseline contract include revisions to the numerous existing articles, as well as addition and renumbering of some articles; revision to Annexes. *Id.*

⁵ See Order Approving Additional Global Reseller Expedited Package Contracts 2 Negotiated Service Agreement, June 4, 2014 (Order No. 2087); Order Granting Motion for Temporary Relief, June 18, 2015 (Order No. 2547).

Requirements of 39 U.S.C. § 3633. Pursuant to section 3633(a), prices for competitive products must cover each product's attributable costs, not result in subsidization of competitive products by market dominant products, and ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service. Based upon a review of the financial worksheets filed under seal with the Postal Service's Notice, it appears that the negotiated prices satisfy the requirements of section 3633(a).

Other Considerations. The Public Representative suggests that the Postal Service should notify the Commission of the effective date of the Agreement. The Public Representative is also mindful that the Postal Service informs the Commission if the contract terminates earlier than scheduled.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
