NOTICE OF
AMAZON FULFILLMENT SERVICES, INC.
OF FILING OF LIBRARY REFERENCES
AFSI-LR-RM2016-2/1 AND AFSI-LR-RM2016-2/2

(January 27, 2016)

Amazon Fulfillment Services, Inc. (“AFSI”) hereby gives notice that it is today filing Library References AFSI-LR-RM2016-2/1 and AFSI-LR-RM2016-2/2.¹

Library Reference AFSI-LR-RM2016-2/1 provides workpapers for the Declaration of T. Scott Thompson filed by AFSI on January 25, 2016. The library reference consists of a zip file containing (1) a folder of Stata-formatted data, (2) a report backup folder, and (3) a folder of scripts. The library reference also includes a Preface that provides a roadmap to the other files and setup instructions for running them. Dr. Thompson is the sponsor of the library reference.

The entire library reference is public. Some of the backup material underlying the library reference is contained in nonpublic documents filed by other parties in this case. The library reference identifies, but does not reproduce, the nonpublic documents.

¹ The closing of the federal government on January 25 and 26 prevented AFSI from filing the library references until today. AFSI served counsel for UPS and the Postal Service with electronic copies of the library references by email on January 26.

Library Reference AFSI-LR-RM2016-2/2 provides workpapers for certain of the figures and tables in the comments of AFSI and the Declaration of Sander Glick, both also filed on January 25, 2016. The library reference consists of an Excel file entitled AFSI-LR-RM2016-2-2.xlsx and a preface entitled AFSI-LR-RM2016-2-2 Preface. Mr. Glick is the sponsor of the library reference. The entire library reference is public.

Respectfully submitted,
