Negotiated Service Agreement

Docket No. CP2015-25

ORDER APPROVING AMENDMENT TO
PRIORITY MAIL NEGOTIATED SERVICE AGREEMENT

(Issued March 7, 2016)

I. INTRODUCTION

The Postal Service seeks to amend a Priority Mail negotiated service agreement.¹ For the reasons discussed below, the Commission approves the Amendment.

¹ Notice of United States Postal Service of Amendment to Priority Mail Contract 105, with Portions Filed Under Seal, February 25, 2016 (Notice). The amendment is an attachment to the Notice (Amendment).

In Order No. 2317, the Commission approved the Priority Mail Contract 105 negotiated service agreement (Existing Agreement).² On February 25, 2016, the Postal Service filed notice that it has agreed to the Amendment to the Existing Agreement. On February 26, 2016, the Commission issued an order reopening this docket to consider the Amendment, appointing a Public Representative, and providing interested persons with an opportunity to comment.³

The Postal Service intends for the Amendment to become effective one business day after the date that the Commission completes its review of the Notice. Notice at 1. The Postal Service asserts that the Amendment will not impair the ability of the contract to comply with 39 U.S.C. § 3633. *See id.*

II. COMMENTS

Comments were filed by the Public Representative.⁴ The Public Representative reviewed the Amendment, the Existing Agreement, and the financial model filed under seal. *See* PR Comments at 2. Based on that review, she concludes that the Existing Agreement, as amended, should continue to generate sufficient revenue to cover costs and satisfy 39 U.S.C. § 3633(a). *Id.*

III. COMMISSION ANALYSIS

The Commission has reviewed the Notice, the accompanying materials filed under seal, and the comments filed by the Public Representative.

² *See* Docket Nos. MC2015-20 and CP2015-25, Order Adding Priority Mail Contract 105 to the Competitive Product List, January 7, 2015 (Order No. 2317). The contract was later amended. *See* Order No. 2521, Order Approving Amendment to Priority Mail Contract 105 Negotiated Service Agreement, June 1, 2015.

⁴ Public Representative Comments on Postal Service Notice of Amendment to Priority Mail Contract 105, March 4, 2016 (PR Comments).

Cost considerations. The Commission reviews competitive product prices to ensure that each product covers its attributable costs, does not cause market dominant products to subsidize competitive products, and contributes to the Postal Service's institutional costs. 39 U.S.C. § 3633(a); 39 C.F.R. §§ 3015.5 and 3015.7. As long as the revenue generated by the product exceeds its attributable costs, the product is unlikely to reduce the contribution of competitive products as a whole or to adversely affect the ability of competitive products as a whole to contribute an appropriate share of institutional costs. In other words, if a product covers its attributable costs, it is likely to comply with 39 U.S.C. § 3633(a).

The Existing Agreement provides for Priority Mail services.⁵ The Amendment modifies the contract's price clause and the associated price adjustment mechanism. See Notice, Attachment A.

Based on a review of the record, the Commission finds that the Existing Agreement, as amended, should cover its attributable costs. 39 U.S.C. § 3633(a)(2). For this reason, it finds that the Existing Agreement, as amended, should not result in competitive products as a whole being subsidized by market dominant products, in accordance with 39 U.S.C. § 3633(a)(1). Similarly, it finds the amended agreement is unlikely to prevent competitive products as a whole from contributing an appropriate share of institutional costs, consistent with 39 U.S.C. § 3633(a)(3). See *also* 39 C.F.R. § 3015.7(c). Accordingly, a preliminary review of the Amendment indicates it is consistent with section 3633(a). The Commission will continue to review the cost coverage of the amended agreement in its Annual Compliance Determination to ensure that rates cover costs.

Other considerations. The Postal Service states that the Amendment shall become effective on the day after the date that the Commission completes its review. Notice at 1. The Existing Agreement, as amended, is set to expire three years after the

initial effective date unless, among other things, either party terminates the contract with 30 days' written notice to the other party or it is renewed by mutual agreement.⁶

If the Existing Agreement, as amended, is terminated prior to the scheduled expiration date, the Postal Service shall promptly notify the Commission.

In conclusion, the Commission approves the Existing Agreement, as amended.

IV. ORDERING PARAGRAPHS

It is ordered:

⁶ Request, Attachment B at 2. Should both parties agree to renew the agreement, any such renewal is required to follow the requirements of 39 U.S.C. § 3633 and the Commission's implementing regulations of 39 C.F.R. part 3015.
