Dear Commissioners:

Thank you for your call for public input and comment as part of Docket No. PI2016-3, on the operation of the nation's postal laws. I am attaching my response to your request, "Practices of the U.S. Postal Service that Imply Anti-Competitive Behavior: Historical Parallels and Remedies Across Other Regulated Sectors," which I hope you find useful.

I am deeply appreciative of the Commission's thoughtful and inclusive approach to its responsibilities as defined in the Postal Accountability and Enhancement Act of 2006. Please do not hesitate to let me know if I can be of any assistance to you in this important work.

Sincerely,

Don Soifer
Executive Vice President
