

Docket No. PI2016-03

Section 701 Report

June 15, 2016

Motion from Don Cheney for Late Acceptance of Comments

I was notified today that my comments arrived yesterday a few hours after the cutoff time of 4:30 PM Eastern Time. I was unaware of the early deadline. I'm in the Pacific Time Zone. Neither the temporary registration process nor the "How To Participate" page mention the cutoff time. I request a one-day extension of time to submit my comments. No participant in this proceeding should be prejudiced.

A handwritten signature in black ink that reads "Don Cheney". The signature is written in a cursive style with a long horizontal flourish extending to the right.
