Docket No. CP2015-31

ORDER APPROVING MODIFICATION FOUR
TO GLOBAL RESELLER EXPEDITED PACKAGE SERVICES 1
NEGOTIATED SERVICE AGREEMENT

(Issued June 27, 2016)

The Postal Service seeks to modify a Global Reseller Expedited Package Services 1 negotiated service agreement approved in this proceeding (Existing Agreement).¹ For the reasons discussed below, the Commission approves Modification Four.

¹ Notice of the United States Postal Service of Filing Modification Four to a Global Reseller Expedited Package 1 Negotiated Service Agreement, June 24, 2016 (Notice). The modification is an attachment to the Notice (Modification Four).

A successor agreement was filed in Docket No. CP2016-224.² Modification Four states that the Existing Agreement will expire on the earlier of (1) June 30, 2016, if the Commission completes its review of the successor agreement filed in Docket No. CP2016-224 by June 30, 2016; or (2) the business day after the Commission completes its review of the successor agreement, thereby replacing the earlier potential termination date that the Postal Service filed in this docket.³ Modification Four does not make any additional changes to the Existing Agreement. See *id.* Attachment 4.

The expiration date identified in Modification Four is consistent with a temporary extension the Commission granted with respect to the Existing Agreement.⁴

Because Modification Four will not impair the ability of the Existing Agreement to comply with 39 U.S.C. § 3633, will avoid disruption in the administration of the contract, and will not prejudice any person, the Commission approves Modification Four.

The Existing Agreement is modified to continue through and will expire on the earlier of (1) June 30, 2016, if the Commission completes its review of the successor agreement filed in Docket No. CP2016-224 by June 30, 2016; or (2) the business day after the Commission completes its review of the successor agreement, thereby replacing the earlier potential termination date that the Postal Service filed in this docket.

² Docket No. CP2016-224, Notice of the United States Postal Service of Filing a Functionally Equivalent Global Plus 3 Negotiated Service Agreement and Application for Non-Public Treatment of Materials Filed Under Seal, June 20, 2016.

³ Notice at 1. The Postal Service filed a public (redacted) version of Modification Four (which the customer and the Postal Service have executed) as Attachment 4 to the Notice. *Id.* at 1 n.3. The Postal Service also filed an unredacted version of Modification Four under seal. *Id.*

⁴ See Order No. 3385, Order Granting Motion for Temporary Relief, June 24, 2016.

It is ordered:

1. The Commission approves Modification Four filed by the Postal Service on June 24, 2016.
2. The Mail Classification Schedule will continue to list the Existing Agreement according to the terms set forth in Modification Four.

By the Commission.
