Docket No. MC2016-97

**NOTICE OF THE UNITED STATES POSTAL SERVICE CONCERNING REVISIONS
TO GLOBAL EXPEDITED PACKAGE SERVICES – NON-PUBLISHED RATES 10
MODEL CONTRACT
(August 24, 2016)**

On March 29, 2016, the Postal Regulatory Commission (Commission) added Global Expedited Package Services - Non-Published Rates (GEPS – NPR) 10 to the competitive product list within the Mail Classification Schedule (MCS).¹ Since that time, the Postal Service has filed a number of GEPS – NPR 10 contracts with the Commission in this docket.

The Postal Service hereby gives notice of changes to the GEPS – NPR 10 model contract that the Postal Service filed as Attachment 4 to its March 15, 2016 notice in this docket.² These changes include the deletion of Paragraphs 2 and 3 of Article 11, and the revision of Article 13. These changes are being made because the Postal Service has determined that penalty clauses are not needed in GEPS contracts. Instead, the

² See Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 10 (GEPS – NPR 10) to the Competitive Products List and Notice of Filing GEPS – NPR 10 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Dockets Nos. MC2016-97 and CP2016-122, March 15, 2016 (“GEPS – NPR 10 Request”).

options of early termination and non-renewal serve as sufficient incentives for customers to satisfy minimum commitment requirements.³

Because no estimates related to such clauses were included in the financial workpapers for the GEPS - NPR 10 contract model, these changes to the GEPS – NPR 10 model contract do not result in changes in the revenue estimates in the financial model provided in support of the initial filing in this docket.⁴

The deletion of Paragraphs 2 and 3 of Article 11, and the revision of Article 13 described above will be made to all GEPS - NPR 10 contracts issued to customers after completion of Commission review, should the Commission submit this matter to public comment. These changes in the GEPS – NPR 10 contract template will be rolled into customer agreements after completion of Commission review, as it would be burdensome to attempt to modify all existing GEPS – NPR customer contracts to incorporate this change.

A redacted copy of the revised GEPS – NPR 10 model contract is included as Attachment 1 to this notice. The Postal Service incorporates by reference the application for non-public treatment that the Postal Service filed with its March 15, 2016, notice in this docket.⁵ The application protects from disclosure information in the unredacted revised model contract that the Postal Service is filing today with the Commission under seal in this docket.

³ In addition, the revised GEPS – NPR 10 model contract included with this filing also contains minor revisions that have already been included in some GEPS – NPR 10 contracts; revisions to Article 4(1)(b), Article 4(2)(b), Article 8(4), as well as an additional Article 6(3) that concern certain export control provisions, and a revision in the reference to Annex 4 in Article 46(1).

⁴ See financial workpapers filed with GEPS – NPR 10 Request.

Respectfully submitted,

Whereas, the Parties desire to enter into a non-exclusive relationship whereby the USPS will provide certain products and/or services to the Mailer pursuant to the terms and conditions contained herein; whereas, the Parties desire to be bound by the terms of this Agreement; now, therefore, in consideration of the mutual promises set forth below, the Parties hereby agree as follows.

1. Purpose of the Agreement. This Agreement shall govern the use the Mailer may make of customized mail service for Priority Mail Express International, Priority Mail International, and First-Class Package International Service; as well as customized mail service for Global Express Guaranteed if the Mailer selects Payment Option B, or selects Payment Option A and chooses a USPS-approved PC Postage Provider that offers capabilities for programming rates for GXG.
