Docket No. RM2017-1

MOTION FOR ACCEPTANCE OF LATE FILING
OF REPLY COMMENTS
(March 10, 2017)

Reply comments in this docket were due on March 9, 2017. See Order No. 3624, November 22, 2016. The party filing this motion experienced significant internet connection problems on the due date and therefore was unable to file reply comments by this date. The party was able to resolve this issue one day later and moves that comments and accompanying library references be accepted one day late. It is believed that this brief delay should not prejudice the interests of any participant in this proceeding.

Respectfully Submitted,
