SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Its Price List

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b–4 thereunder, notice is hereby given that, on September 30, 2020, New York Stock Exchange LLC (“NYSE” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Price List to extend through October 2020 the waiver of equipment and related service charges and trading license fees for NYSE Trading Floor-based member organizations implemented for April through September 2020. The proposed changes respond to the current volatile market environment that has resulted in unprecedented average daily volumes and the temporary closure of the Trading Floor, which are both related to the ongoing spread of the novel coronavirus (“COVID–19”).

The Exchange proposes to implement the fee changes effective October 1, 2020.

Background

Beginning on March 16, 2020, in order to slow the spread of COVID–19 through social distancing measures, significant limitations were placed on large gatherings throughout the country. As a result, on March 18, 2020, the Exchange determined that beginning March 23, 2020, the physical Trading Floor facilities located at 11 Wall Street in New York City would close and that the Exchange would move, on a temporary basis, to fully electronic trading. Following the temporary closure of the Trading Floor, the Exchange waived certain equipment fees for the booth telephone system on the Trading Floor and associated service charges for the months of April and May.

On May 14, 2020, the Exchange announced that on May 26, 2020 trading operations on the Trading Floor would resume on a limited basis to a subset of Floor brokers, subject to health and safety measures designed to prevent the spread of COVID–19. On June 15, 2020, the Exchange announced that on June 17, 2020, the Trading Floor would reintroduce a subset of DMMs, also subject to health and safety measures designed to prevent the spread of COVID–19. Following this partial reopening of the Trading Floor, the Exchange extended the equipment fee waiver for the months of June, July, August and September. The Trading Floor continues to operate with reduced headcount and additional health and safety precautions.

Proposed Rule Change

The proposed rule change responds to the unprecedented events surrounding the spread of COVID–19 by extending the waiver of equipment and related service charges and trading license fees for NYSE Trading Floor-based member organizations for October 2020.

As noted, for the months of April, May, June, July, August and September, the Exchange waived the Annual Telephone Line Charge of $400 per phone number and the $129 fee for a single line phone, jack, and data jack. The Exchange also waived related service charges, as follows: $161.25 to install single jack (voice or data); $107.50 to relocate a jack; $53.75 to remove a jack; $107.50 to install voice or data line; $53.75 to disconnect data line; $53.75 to change a phone line subscriber; and miscellaneous telephone charges billed at $106 per hour in 15 minute increments. These fees were waived for (1) member organizations with at least one trading license, a physical Trading Floor presence, and Floor broker executions accounting for 40% or more of the member organization’s combined adding, taking, and auction volumes during March 1 to March 20, 2020, or, beginning in August

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose
