II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a proposed collection of information to OMB for review entitled, “NRC CUI Program Challenge Request.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a Federal Register notice with a 60-day comment period on this information collection on April 17, 2020, 85 FR 21475.

1. The title of the information collection: NRC CUI Program Challenge Request.
2. OMB approval number: 3150–0000.
3. Type of submission: New.
4. The form number if applicable: N/A.
5. How often the collection is required or requested: On occasion.
6. Who will be required or asked to respond: Authorized holders, including any individual or organization who has been provided with CUI and has a lawful government purpose to possess CUI.
7. The estimated number of annual responses: 12.
8. The estimated number of annual respondents: 12.
9. An estimate of the total number of hours needed annually to comply with the information collection requirement or request: 18.
10. Abstract: The NRC CUI Program Challenge Request Process, also referred to as the “CUI Challenge Request Process” in this document, provides the process used for NRC CUI authorized holders to challenge the designation of information that has been marked as CUI as improperly or incorrectly designated. “Authorized holder” includes any individual or organization who has been provided with CUI and has a lawful government purpose to possess the information. Any authorized holder who believes that the designation of specific information as CUI is improper or incorrect, or who believes they have received unmarked CUI, may use this process to formally notify the NRC CUI Senior Agency Official (SAO). The process also allows for the NRC CUI SAO and CUI Program Manager to process such requests and to issue a Final Decision from the CUI SAO.

The CUI Challenge Request Process is not intended to be used to address all disagreements regarding the proper designation of CUI. Authorized holders are encouraged to seek or utilize less formal means when resolving internal good faith disputes over the proper designation of information as CUI, such as discussion with the creator or designator of the information in dispute. Where resolution cannot be achieved through less formal means, the CUI challenge request process is available.

The CUI Challenge Request Process does not supersede any obligations under law or NRC policy to report information spills.

For the Nuclear Regulatory Commission.

NRC Clearance Officer, Office of the Chief Information Officer.

SECURITIES AND EXCHANGE
COMMISSION
[Release No. 34–89525; File No. SR–
CboeBZX–2020–065]

Self-Regulatory Organizations; Cboe
BZX Exchange, Inc.; Notice of Filing
and Immediate Effectiveness of a
Proposed Rule Change Relating To
Amend Its Fees Schedule

August 11, 2020.

Pursuant to Section 19(b)(1) of the
Securities Exchange Act of 1934 (the
“Act”),1 and Rule 19b–4 thereunder,2
notice is hereby given that on August 4,
2020, Cboe BZX Exchange, Inc. (the
“Exchange” or “BZX”) filed with the
Securities and Exchange Commission
(the “Commission”) the proposed rule
change as described in Items I, II, and
III below, which Items have been
prepared by the Exchange. The
Commission is publishing this notice to
solicit comments on the proposed rule
change from interested persons.

I. Self-Regulatory Organization’s
Statement of the Terms of Substance of
the Proposed Rule Change

Cboe BZX Exchange, Inc. (the
“Exchange” or “BZX”) is filing with the
Securities and Exchange Commission
(the “Commission”) a proposed rule
change to amend its Fee Schedule. The text of
the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s
website (http://markets.cboe.com/us/
equities/regulation/rule_filings/bzx/), at
the Exchange’s Office of the Secretary,
and at the Commission’s Public
Reference Room.

II. Self-Regulatory Organization’s
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change

In its filing with the Commission, the
Exchange included statements concerning the purpose of and basis for
the proposed rule change and discussed any comments it received on the
proposed rule change. The text of these statements may be examined at
the places specified in Item IV below. The Exchange has prepared summaries, set
forth in sections A, B, and C below, of
the most significant aspects of such
statements.

A. Self-Regulatory Organization’s
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change

1. Purpose

The Exchange proposes to amend its
fee schedule for its equity options
platform (“BZX Options”).3

The Exchange first notes that it operates in a highly competitive market
in which market participants can readily direct order flow to competing
venues if they deem fee levels at a particular venue to be excessive or
incentives to be insufficient. More
specifically, the Exchange is only one of
16 options venues to which market
participants may direct their order flow.
Based on publicly available information, no single options exchange has more
than 17% of the market share and
currently the Exchange represents only
approximately 8% of the market share.4
Thus, in such a low-concentrated and
highly competitive market, no single
options exchange, including the
Exchange, possesses significant pricing
power in the execution of option order
flow. The Exchange believes that the
ever-shifting market share among the
exchanges from month to month

demonstrates that market participants
can shift order flow, or discontinue to
reduce use of certain categories of
products, in response to fee changes.
Accordingly, competitive forces
constrain the Exchange’s transaction
fees, and market participants can readily
trade on competing venues if they deem
pricing levels at those other venues to

filing and submitted this filing.
