Section 1: Steps Taken to Apply the Presumption of Openness

A. FOIA Leadership

1. *The FOIA requires each agency to designate a Chief FOIA Officer who is a senior official at the Assistant Secretary or equivalent level. Is your agency's Chief FOIA Officer at this level?*

The Commission's Chief FOIA Officer is an Office Head within the Commission, reporting directly to the head of the agency.

2. *Please provide the name and title of your agency's Chief FOIA Officer.*

4. *If yes, please provide a brief description of the type of training attended or conducted and the topics covered.*

Topics covered included how to process a request (administratively), how to log requests, how to prepare responses, and how to monitor the FOIA email mailbox at the Commission.

5. *Provide an estimate of the percentage of your FOIA professionals and staff with FOIA responsibilities who attended substantive FOIA training during this reporting period.*

All Commission FOIA professionals either attended or provided FOIA training during the reporting period.

6. *OIP has directed agencies to “take steps to ensure that all of their FOIA professionals attend substantive FOIA training at least once throughout the year.” If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency’s plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year.*

As time and budget allows, the Commission plans to offer FOIA training to all FOIA professionals, with an emphasis on those who have new responsibilities or have not yet attended training.

C. Outreach

7. *Did your FOIA professionals engage in any outreach or dialogue with the requester community or open government groups regarding your administration of the FOIA? Section II: Steps Taken to Ensure that Your Agency Has an Effective System in Place for Responding to Requests

DOJ's *FOIA Guidelines* emphasize that “[a]pplication of the proper disclosure standard is only one part of ensuring transparency. Open government requires not just a presumption of disclosure, but also an effective system for responding to FOIA requests.” It is essential that agencies effectively manage their FOIA program.

Please answer the following questions to describe the steps your agency has taken to ensure that the management of your FOIA program is effective and efficient. You should also include any additional information that that describes your agency's efforts in this area.

1. *For Fiscal Year 2019, what was the average number of days your agency reported for adjudicating requests for expedited processing? Please see Section VIII.A. of your agency's Fiscal Year 2019 Annual FOIA Report.*

18 days.

2. *If your agency's average number of days to adjudicate requests for expedited processing was above ten calendar days, please describe the steps your agency will take to ensure that requests for expedited processing are adjudicated within ten calendar days or less.*

The Commission had exactly one request for expedited processing in FY 2019. The Commission did not track adjudication of the expedited processing request separately from the underlying request, but responded substantively to the request in 18 calendar days, granting it in full. In the future the Commission will endeavor to notify the requester of its action with regard to expedition requests.

3. *During the reporting period, did your agency conduct a self-assessment of its FOIA program? If so, please describe the methods used, such as reviewing Annual Report data, using active workflows and track management, reviewing and updating processing procedures, etc.*

N/A

4. *The FOIA Improvement Act of 2016 requires additional notification to requesters about the services provided by the agency's FOIA Public Liaison. Please provide an estimate of the number of times requesters sought assistance from your agency's FOIA Public Liaison during FY 2019 (please provide a total number or an estimate of the number).*

No requesters reached out to the Commission's FOIA Public Liaison during FY 2019.

5. *Optional -- Please describe:*

- *Best practices used to ensure that your FOIA system operates efficiently and effectively*
- *Any challenges your agency faces in this area*

The Commission recently moved responsibility for FOIA from its Office of Secretary and Administration to its Office of General Counsel to ensure consistent legal involvement and oversight of all FOIA requests and processes.

Section III: Steps Taken to Increase Proactive Disclosures

The Department of Justice has long focused on the need for agencies to work proactively to post information online without waiting for individual requests to be received.

Please answer the following questions to describe the steps your agency has taken to increase the amount of material that is available on your agency websites. In addition to the questions below, you should also describe any additional steps taken by your agency to make and improve proactive disclosures of information.

- 1. Provide examples of any material that your agency has proactively disclosed during the past reporting year, including records that have been requested and released three or more times in accordance with 5 U.S.C. § 552(a)(2)(D). Please include links to these materials as well.*

The Commission proactively publishes to its docket system all comments and filings in any docketed proceeding before the Commission. See <https://www.prc.gov/dockets/active>. The Commission also publishes electronic versions of its reports and reports filed by the Postal Service with the Commission. See <https://www.prc.gov/reports>. The Commission did not have any records requested three or more times during the reporting period.

- 2. Beyond posting new material, is your agency taking steps to make the posted information more useful to the public, especially to the community of individuals who regularly access your agency's website?*

The Commission is engaged in an ongoing effort to upgrade its docketing system, and in the last two years upgraded its public-facing website to better serve the users who regularly access the Commission's website.

- 3. If yes, please provide examples of such improvements.*

Please see response to item 2 above.

- 4. Optional -- Please describe:*

- Best practices used to improve proactive disclosures*
- Any challenges your agency faces in this area*

Please see responses to items 1 and 2 above.

Section IV: Steps Taken to Greater Utilize Technology

A key component of FOIA administration is using technology to make information more accessible. In addition to using the internet to make proactive disclosures, agencies should also be exploring ways to utilize technology in responding to requests.

Please answer the following questions to describe how your agency is utilizing technology to improve its FOIA administration and the public's access to information. You should also include any additional information that that describes your agency's efforts in this area.

- 1. Is your agency leveraging or exploring any new technology to facilitate efficiency in its FOIA administration that you have not previously reported? If so, please describe the type of technology.*

N/A

- 2. OIP issued [guidance](#) in 2017 encouraging agencies to regularly review their FOIA websites to ensure that they contain essential resources, and are informative and user-friendly. Has your agency reviewed its FOIA website(s) during the reporting period to ensure it addresses the elements noted in the guidance?*

When updating its website prior to the reporting period, the Commission reviewed it to ensure it contained the resources, to the extent they exist at the Commission, are present on the Commission FOIA website. During the reporting period the Commission has kept those resources up to date. See <https://www.prc.gov/foia>.

- 3. Did your agency successfully post all four quarterly reports for Fiscal Year 2019?*

Yes, Commission quarterly reports were all successfully posted. See <https://www.prc.gov/foia/foia-quarterly-reports>.

N/A

- 5. The FOIA Improvement Act of 2016 requires all agencies to post the raw statistical data used to compile their Annual FOIA Reports. Please provide the link to this posting for your agency's Fiscal Year 2018 Annual FOIA Report and, if available, for your agency's Fiscal Year 2019 Annual FOIA Report.*

The Commission posts the XML and CSV formats, containing all the raw data for its Annual FOIA Reports to its FOIA website. See

<https://www.prc.gov/sites/default/files/foia/PRC%20FY19%20Final.xml> (FY 2019),

https://www.prc.gov/sites/default/files/foia/prc_fy2019_raw_data_csv.csv (FY2019),

<https://www.prc.gov/sites/default/files/foia/PRC%202018%20FINAL.xml> (FY 2018),

https://www.prc.gov/sites/default/files/foia/prc_fy2018_raw_data_csv.csv (FY 2018).

6. *Optional -- Please describe:*

- *Best practices used in greater utilizing technology*
- *Any challenges your agency faces in this area*

The Commission receives a small number of substantive FOIA requests each year. For example, during FY 2019 the Commission received 15 requests, but over half these requests were for records the Commission does not create or house. Of the remaining requests, the Commission endeavors to respond to each as quickly as practicable (only one request in FY 2019 took 20 days to process). The Commission, due to its size and employee responsibilities in mission-critical areas and relatively small number of FOIA requests, faces challenges in producing reports geared for much larger agencies with greater challenges and backlogs.

Section V: Steps Taken to Improve Timeliness in Responding to Requests and Reducing Backlogs

The Department of Justice has emphasized the importance of improving timeliness in responding to requests. This section of your Chief FOIA Officer Report addresses both time limits and backlog reduction. Backlog reduction is measured both in terms of numbers of backlogged requests or appeals and by looking at whether agencies closed their ten oldest requests, appeals, and consultations.

For the figures required in this Section, please use the numbers contained in the specified sections of your agency's 2019 Annual FOIA Report and, when applicable, your agency's 2018 Annual FOIA Report.

A. Simple Track

Section VII.A of your agency's Annual FOIA Report, entitled "FOIA Requests – Response Time for All Processed Requests," includes figures that show your agency's average response times for processed requests. For agencies utilizing a multi-track system to process requests, there is a category for "simple" requests, which are those requests that are placed in the agency's fastest (non-expedited) track, based on the low volume and/or simplicity of the records requested.

1. *Does your agency utilize a separate track for simple requests?*

Yes.

2. *If your agency uses a separate track for simple requests, was the agency overall average number of days to process simple requests twenty working days or fewer in Fiscal Year 2019?*

Yes – 10 days average.

3. *Please provide the percentage of requests processed by your agency in Fiscal Year 2019 that were placed in your simple track.*

93 percent.

4. *If your agency does not track simple requests separately, was the average number of days to process all non-expedited requests twenty working days or fewer?*

F. Success Stories

Out of all the activities undertaken by your agency since March 2019 to increase transparency and improve FOIA administration, please briefly describe here at least one success story that you would like to highlight as emblematic of your agency’s efforts. The success story can come from any one of the five key areas. As noted above, OIP will highlight these agency success stories during Sunshine Week. To facilitate this process, all agencies should use bullets to describe their success story and limit their text to a half page. The success story is designed to be a quick summary of key achievements. A complete description of all your efforts will be contained in the body of your Chief FOIA Officer Report.

During the reporting period the Commission transferred responsibility for FOIA to its Office of General Counsel (previously housed within the Office of Secretary and Administration). This change was made to ensure that each requests has immediate legal attention and potential issues with regard to production, scope, or exemptions are identified early.
